100 enjoy festival fun

Year 5&6 Rugby Festival @ Chesham Rugby Club

While England may not have won the Rugby World Cup Final this year, but we have been busy training England's next generation of Rugby Stars at Chesham Rugby Club.

Chesham Rugby Club hosted a Year 5&6 Tag Rugby Festival and we had nearly 100 children from South Bucks and Wycombe taking part in the fun festival.

The pupils demonstrated many of the qualities that the RFU expect called **TREDS**: Teamwork, Respect, Enjoyment, Discipline and Sportsmanship.

The winners of the mini tag tournament for showing excellent TREDS values were the Disraeli Destroyers – well done to all pupils involved.

A huge thanks to the Club for

hosting such a fantastic tournament and being such wonderful hosts. If you want to get involved in Rugby at Chesham Rugby Club then please contact the Club Secretary who will be able to direct you to the appropriate team:

crufcsecretary@gmail.com

Chesham is a thriving Rugby Club that have a fantastic set up, and have sections for men, women, juniors and mini's. Now this is where it gets even more exciting... In the senior section they have not one World Cup winner BUT two with Rocky Clark, England's most capped rugby player and Kat Merchant leading their senior coaching set up.

Healthy Minds Workshop

Mental Health is a term that is prominent in the press right now, for both adults and children. Healthy Minds. Mental Health First Aid (MHFA), England states that: "One in ten young people experience a mental health issue at any one time."

In order to help to tackle this issue and help children and young people in South Bucks cope with the grind of day to day life, we enlisted the help of the Healthy Minds team.

Healthy Minds aims to promote the importance of good Mental Health, in order for children and young people to reach their full potential, within education and life in general.

Romina, the tutor delivered via a number of methods during the session, including: breathing techniques, super brain yoga and some short meditation.

We had four of the South Bucks Partnership Schools take part in

workshops throughout the morning, and it was wonderful to see the children responding to the techniques and watching their worries float away.

One young person was so relaxed that they had a little nap during the meditation section! Here's what some of the students that took part had to say about the session:

"It was enjoyable and it was a good session. It was relaxing, lots and I liked the story and the music" (Cairo, IVIS)

"I liked it when we did the relaxation. There was a blue thing wobbling around in my head and it helped me relax" (Oscar, FCVS)

If you would like the Healthy Minds team to come in and deliver their fantastic 6-week programme in your School, please contact Rachel Hutchinson rachel@alfristonschool.com directly to book the programme at a discounted Partnership price.

Wind and rain can't stop the tots!

KS1 Rugby Tots Festival

Hurdles, mud, hard work, and that was just from the weather! Despite the weather four schools accumulating to 158 children, took part in an event hosted and led by The South Bucks School Partnership in partnership with Rugby Tots.

Students took part in obstacle courses and exciting Rugby games, which gave children the opportunity to learn new skills used in the sport whilst the Rugby World Cup has been taking place in Japan.

A special well done to St Peters School, St Marys Farnham Royal School, Iver Heath Infants School and Lent

Rise School for taking part in the event during wind, rain and even some sunshine.

A huge thank you to Carl and the Rugby Tots team for running the event and St Marys Farnham Royal school for hosting the event.

The morning provided a great opportunity for students and staff to gain a more in depth understanding of Rugby, develop fundamental skills and hopefully a new love for the sport.

To try a free rugby tots taster at your schools - contact carlr@rugbytots.co.uk

SEND Badminton

November has been a very busy month for all things competitive. Our annual SEND Badminton competition was no exception and took place on Tuesday 5th November, and was hosted by Chiltern Way Academy, Wendover.

As always, there were some superb players and some very closely fought games between students. This was also a great opportunity for many of the students working towards a GCSE in Physical Education to showcase their skills, BUT someone had to go away with the winner's medals...this year's champions were: Egerton Rothesay. A huge well done to all involved.

SEND Badminton Results:

- 1st – Egerton Rothesay 1
- 2nd – Chiltern Way Academy
- 3rd – Pebble Brook 1
- 4th – Pebble Brook 2
- 5th – Egerton Rothesay 2

Send us your stories

If your school isn't featured in this first edition of Sporting Chance make sure you send us your stories to ensure your sporting achievements get the attention they deserve.

Your stories and news items could feature classroom work, your successes in competitions, the special achievements of pupils and staff or just some tales of the funny things that can happen in sport.

We prefer to have articles submitted in MSWord (.doc) or Open Office (.odt) and photos as separate jpegs. Looking forward to seeing YOU in the next edition of **Sporting Chance**.

Football Update

Due to there being such outstanding footballing ability in Year 5 and 6, Mr Hawkes has made two separate teams for this year. So far they have played three games in the League winning 7-1 against St Mary's before drawing 0-0 with Lent Rise. In IVJS's third game they played against Iver Heath and Mr Hawkes fielded a mixture of both teams. IVJS won this game 7-0 and played incredibly well. IVJS have played a fourth game this year and went out of the Berks and Bucks Cup to Woodside narrowly losing 3-2. Well done to all the children involved this year in the football teams - its been a great start!

IVJS Sporting Round-up Inter-House Benchball

All children have competed in interhouse benchball this half term. After a very close tournament Elstree ended up winning in the last game of the day! Well done to Elstree, who enjoyed their first interhouse success in over two years!

Happy sporting at Harding House

Students from Harding House wrote to us to tell us about the sports they were enjoying.

Monday 25th November 2019

Dear Rachel

My name is Haydar Khan I am 17 years old and I go to Harding House.

I do cricket at Aylesbury High school on Mondays.

It makes me feel Happy.

Signed H.Khan.
Haydar

Dear Rachel

My name is Shaun I am 19 years old.

And I do football at the Aylesbury High school

On Monday.

It makes me feel proud.

Signed Shaun P Close
Shaun

Dear Rachel

My name is Hoor-Ul-Ain.

I am 19 year old

And I go to Harding House School.

I rode a bike to make some juice at Stoke Mandeville Stadium in October.

It makes me feel happy.

Signatures Hoor-Ul-Ain

Dear Rachel

My name is Thomas

a 17 years old and I go to Harding House

What I do Sports Leaders

Where) High School

When) Monday, feel It makes me

feel excited

Signed Thomas Reynolds

The South Bucks School Sports Partnership wishes you all a wonderful Christmas and New Year Remember to stay active

The National Paralympic Heritage Trust - in Buckinghamshire

The countdown to the Tokyo 2020 Paralympic Games is underway and the team at the National Paralympic Heritage Trust are inviting you to learn more about the Paralympic Games and their origins at Stoke Mandeville.

At the end of March 2019 the Trust opened the first ever Paralympic Heritage Centre at Stoke Mandeville. The centre showcases the story right from the beginning starting with Professor Sir Ludwig Guttmann the Father of the Paralympic Games to the very first competitions at Stoke Mandeville and to how the games have developed through the decades to the modern Paralympic Games we see today.

There are various ways in which you can engage with the Paralympic heritage and for your school to learn more about the Paralympic games.

The Games, 1956

In School Visit: You can arrange for a member of the team at the National Paralympic Heritage Trust to visit your school and deliver a brief presentation on the Paralympic games and their origins at Stoke Mandeville. Followed by a formal learning session with an activity box and a handling collection.

School Visit to Heritage Centre: The visit will include a site tour and heritage centre tour followed by a formal learning session for KS2-KS4 (including Science, Engineering, Maths, English, Art and Design, PHSE and Citizenship)

There is also the opportunity to join in a project to make origami cranes that will be on display at the Paralympic Flame

lighting event at Stoke Mandeville.

For more information visit www.paralympicheritage.org.uk or contact Elaine Phiri at elaine.phiri@paralympicheritage.org.uk

Surprise first place

Farnham Common Village Schools Year 3 and 4 took part in a badminton tournament at the Beaconsfield School recently.

For some of us, it was our first tournament representing the school and we were very excited.

There were eight schools taking part and we all played for two hours without a break. There were some school children from the Beaconsfield School who gave up their time to help us at the tournament.

In all the games, the girls went first and the boys went second. Usually we had two minutes to do each activity and then we swapped.

Two of us won wristbands as we were supporting our team-mates and trying our hardest.

At the end, we all sat in circle and heard the results. We thought we might come in the top three.

Mrs Hutchinson announced the teams that had come 4th to 8th and it wasn't us; then she said third place and we all got very excited; and then she said second place and we realised we were first! We got called up for our medals

and certificates. And now we are going to play for South Bucks!

Seher, Amelia and Dylan (Farnham Common Village)

MEDLEY DANCE

differences dancing together

Medley Dance is an inclusive dance company that offers dance workshops for schools and charities for children and young adults with disabilities.

We believe that no matter what your disability, you should be able to be given the opportunity to dance!

FUN · ENERGETIC · ENGAGING

What we offer:

- Jazz workshop
- Musical theatre workshop
- Bollywood workshop
- Lyrical workshop
- Dance fitness workshop
- Specialised workshop

Our workshops are available for an hour or half a day session. We offer a wide range of styles that can fit to your schools curriculum and we can also adapt our workshop to follow a theme you would like.

Medley Dance prides itself in adapting movement to suit all participants needs, giving them access to learn dance that is structured to their needs and requirements.
