2019 SCHOOL GAMES

Competition Format

How It Works?

Each athlete competes in all 4 events. The time or distance for each event is measured against a standard point scoring table and the better the performance the higher the points scored.

The points from each event are added together to give the aggregate points or QuadKids score for that athlete. Only the top 4 boys and top 4 girls count towards the team score. If an athlete misses an event or in the case of a race does not finish they score zero points.

If an athlete completes an event but records a time or distance below the lower end of the points scale, they receive the minimum 10 point score for that event. The program does this automatically.

If an athlete records a time or distance above the upper end of the points scale, they will be given the maximum 100 points.

For an individual competition where two athletes are tied on equal points and a winner is required, the athlete with the highest points score in their weakest event will be the winner.

Competition Format

How Is It Scored?

The recorder receives the event scoring sheets and inputs all the results into the results spreadsheet under the relevant event.

When the athlete's number and the time/distance they have achieved are entered the program will automatically fill in the athlete's name and assign points.

When all the results have been inputted the "Club Score sheet" ranks the schools and the "Athletes" tab shows individual athlete rankings.

Health & Safety.

Before all matches this must be read and adhered to:

Long hair must be tied back.

No jewellery to be worn.

Athletes will not be permitted to compete barefoot or in unsuitable footwear.

All loose clothing must be tucked in and shoelaces tied.

No chewing gum or sweets.

Players should bring plenty of drinks.

All players are advised to warm up appropriately before each match.

Medical supplies that players may need should be brought with them on the day i.e. asthma inhalers.

All team teachers must ensure their pupils are under adult supervision at all times, even when competing. During this time athletes can watch and encourage their fellow team members.

Please ensure students have been briefed on health and safety.

Fair Play.

The ideals of good sportsmanship and respect should permeate throughout all competitive and recreational sport. They are displayed by someone who abides by the rules of a contest, respects their opponents and accepts victory or defeat graciously.
