Schools will be given an allotted arrival time and they should allow for 90mins,.
They will be given a time limit of one hour to complete the course(s) and any extra time is for getting in and out of the venue, using toilets, having info/demo session.

Allotted times will be given out once the deadline has passed and as a result I have made it an advanced deadline date as I am aware schools need to book transport in.

I will allow schools to enter 2 teams and if you wish to put a team on the reserve list please let me know and if any spaces after the deadline has ended I will allocate them fairly.

Competition format

- Pairs must ensure they stay together as they make their way around the course.
- Each pair will head off at timed intervals around a course(s).
- The team with the quickest time will be the winner.
