No ratios on boys or girls but………
County run a mixed team event (can just be boys or a mix) and a girls only event, so I will have to offer these options at Stonehenge as I am asked to run a county qualifying event in the southern part of my area.

Festival use Dynamos cricket rules (it used to be known as Kwik Cricket):

− Play on a round pitch….the boundary the same size for the hitting batter on all sides
− Batters bat in pairs for 10 balls; 2 fielders bowl 5 balls each
− Fielders rotate around clockwise after each over.
− Bowling can be underarm or overarm (bowl not throw)
− Wides and no balls are worth 2 runs, plus the batter has a free hit of a static ball on a tee for extra runs.
− Fours and sixes can be scored (4 hit to boundary along the floor; 6 hit to boundary in the air).
