

Yr6 physical activity Festival

Tuesday 18th June @ Wellington (Astro) 10am-2pm

Wednesday 19th June @ Avon Valley (field near pool) 10am-2pm

Thursday 20th June @ Pewsey Vale (school field) 10am-2pm

Main intent: Adapting the format to increase motivation

A Spirit of the Games, all-inclusive, fun-filled, developmental festival!

Following on from the success of the Yr5&6 PAF and after chatting with staff, it seemed important to offer Yr6 their own Physical Activity Festival.

It is really aimed at those who need extra support in building confidence, self-esteem, social skills and all other aspects which they will be facing with their transition to secondary school.

It could also be aimed at those in Yr6 who have not been involved in any other festival during the year and would benefit from a really positive sporting experience.

Schools can bring along a team of up to 16 Yr6 pupils. If you wish to enter a reserve list then, once the entry deadline has ended, I will fill any spaces fairly.

I haven't finalised the activities for the festivals but they will be fun and alternative and a good way to get involved in activities and challenges and working with others.

Schools to bring own 1st Aid kit.

It is my aim to have these festivals outside, so please ensure pupils are appropriately dressed for the activity and weather.

Please also ensure pupils have plenty to drink and a packed lunch.

Deadline for entry: Wednesday 22nd May (just before the half term break)

£15 entry per school

All schools MUST complete an entry team sheet.

Please send your entries or queries to Charlie at: avonvalleysgo@gmail.com
