

COORDINATION 2

CHALLENGES

Can you hit the target 5 times out of 10? Even better?

PYTHON

Roll the ball underarm towards a target (for example a cereal box).

PARROT

Make the target smaller and roll the ball towards it.

TIGER

Move the target further away and roll the ball towards it.

GORILLA

Throw the ball underarm towards a target.

RHINO

Make the target smaller and further away.

GIRAFFE

Try to roll/throw the ball with your weaker hand at the target.
