

# Dance Team Challenge

## Whole School Entry

**1. Challenge your pupils to come up with 3 or 4 dance moves.**

This can be administered within class bubbles/from home.

**2. Create a dance submission video (max. 1 minute long).**

All classes/groups send their clip back to the lead teacher to edit into a dance submission video. Only one entry will be accepted per school.

**3. Register and upload your completed video on Playwaze.**

Entry into this team challenge will give your school added points towards the overall Winter School Games leadership board.

We are looking for **creative**,  
**collaborative dances** capturing the **spirit**  
of the **games values**.
