Rules of the Game

As this is a development event the rules of the game will be casually enforced and developed through the fun games.

A dodgeball match will consist of 3 games.

Game 1 & 2 will be referred by young leaders and/or school staff.

Game 3 will be self referred by the participants

Starting the Game

- Teams begin the game with one foot or hand touching the back line.
- 3 balls begin in the centre zone.
- On the referees whistle a maximum of three players from each team race to collect a ball from the centre zone.
- The balls must be passed all the way back to the back line.

Valid Throws

- All players have 5 seconds to throw the ball.
- Players are not allowed to roll the ball or deliberately throw the ball out of play.

Getting Out

- Hit by a ball thrown by an opponent without a bounce.
- An opposition player catches a ball that you have thrown.
- Stepping completely over the center line or out of the pitch.
- The ball you are holding is knocked from your hands by an opponent's throw.
- Punching or kicking the ball.
- If out you may return to the game if a member of your team catches the ball successfully.

Save Rule

- You can save a team-mate from getting out if you catch a ball deflected off him/her without the ball having touched another player or surface.

Head shots

- Head shots do not count and both players will remain **IN** unless;
- They have their back turned to the opposition and are struck on the back of the head.
- They use their head to block an opposing throw.
- They are ducking down whilst the ball strikes them on the head, therefore the head is preventing the ball from hitting another part of the body.
- The thrower is out if they strike an opponent above the shoulders deliberately.

Health and Safety

First Aid is the responsibility of the staff responsible for the team.

Long hair must be tied back

No jewellery should be worn

All loose clothing must be tucked in.

No chewing gum/sweets allowed.

Please ensure your pupils bring with them any medical supplies they may need i.e. asthma inhalers.

All team teachers must ensure their pupils are under adult supervision at all times, even when performing.

Please ensure that your pupils have been thoroughly briefed with regards to health and safety
