Rules

Starting the Game

- On the referees whistle a maximum of three players from each team race to collect a ball from the centre zone.
- The balls must be passed all the way back to the back line.

Save Rule

- You can save a team-mate from getting out if you catch a ball deflected off him/her without the ball having touched another player or surface.

Head shots

- Head shots do not count and both players will remain **IN** unless;
- They have their back turned to the opposition and are struck on the back of the head.
- They use their head to block an opposing throw.
- They are ducking down whilst the ball strikes them on the head, therefore the head is preventing the ball from hitting another part of the body.
- The thrower is out if they strike an opponent above the shoulders deliberately.

Valid Throws

- All players have 5 seconds to throw the ball.
- Players are not allowed to roll the ball or deliberately throw the ball out of play.

Getting Out

- Hit by a ball thrown by an opponent without a bounce.
- An opposition player catches a ball that you have thrown.
- Stepping completely over the center line or out of the pitch.
- The ball you are holding is knocked from your hands by an opponent's throw.
- Punching or kicking the ball.
- If out you may return to the game if a member of your team catches the ball successfully.
